Dear Ms. Faleomavaega:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule D of your report discloses debts to Island Business Center, with a notation this amount in dispute again. If the committee and the creditor are in dispute over the balance of the debt, the committee must report the following information:

The committee must establish the debt as disputed on Schedule D. The committee must show any amounts paid to the creditor, any amount the committee admits it owed and the amount the creditor states that the committee owes. The committee may also note that the disclosure of the disputed debt does not constitute an admission of liability or waiver of any claims the committee may have against the creditor.

When a disputed debt is settled, the committee must provide a statement explaining the circumstances and conditions under which the debt was extinguished.
